

# THE ROGUE

NAME: \_\_\_\_\_

## BACKGROUND

- ☐ Military ☐ Outlaw ☐ Urban  
☐ Monastic ☐ Privileged ☐ Wilderness

## DEMEANOR

- ☐ Acerbic ☐ Sly  
☐ Joking ☐ Extreme  
☐ Cynical ☐ Wild

FIGHTING STYLE: \_\_\_\_\_

## YOUR TRAINING

## STATUSES

- POSITIVE** ☐ Empowered ☐ Favored ☐ Inspired ☐ Prepared  
**NEGATIVE** ☐ Doomed ☐ Impaired ☐ Trapped ☐ Stunned

## STATS

Add +1 to one stat

- ☐ CREATIVITY [+1]  
☐ FOCUS [0]  
☐ HARMONY [-1]  
☐ PASSION [+1]

## FATIGUE

## BALANCE

At character creation, shift your balance once if you like

## CONDITIONS

- ☐ **AFRAID**  
-2 to intimidate and call someone out
- ☐ **ANGRY**  
-2 to guide and comfort and assess a situation
- ☐ **GUILTY**  
-2 to push your luck and +2 to deny a callout
- ☐ **INSECURE**  
-2 to trick and resist shifting your balance
- ☐ **TROUBLED**  
-2 to plead and rely on your skills or training

See the back of this sheet for more on clearing conditions

## ⊕ BAD HABITS ⊕

You've picked up some bad habits over the years. Most other people are pretty set on trying to get you to stop. But maybe you can bring your friends along for the ride... Choose 4 bad habits you indulge:

- ☐ Casual thievery and pickpocketing  
☐ Vandalism or sabotage  
☐ Trespassing  
☐ Daredevil stunts  
☐ "Charming" insults of dangerous people  
☐ Cons  
☐ Rabble-rousing  
☐ Gambling

Any necessary skills or talents related to your bad habits are considered to be part of your background.

When you **indulge a bad habit on your own**, shift your balance toward Survival, and roll with Survival. On a hit, you pull it off and vent your frustrations; clear fatigue or conditions equal to your Survival (minimum 0). If you have no fatigue or conditions, mark growth. On a 10+, you also gain a windfall, a boon or opportunity—your bad habits paid off this time. On a miss, you're caught by someone dangerous or powerful, and they complicate your life.

When you **indulge a bad habit with a friend**, shift your balance toward Friendship, and roll with Friendship. On a hit, you and your friend pull it off and grow closer; each of you makes the other *Inspired*. On a 10+, you also obtain some useful resource or information, and become *Prepared*. On a miss, something goes terribly awry; you can either take the heat yourself, or shift your Balance twice toward Survival and leave your friend in the lurch.

## MOVES CHOOSE TWO

### ☐ ROGUISH CHARM

When you **plead with an NPC** or **guide and comfort someone** by flattering them and empathizing with them, mark 1-fatigue to roll with **CREATIVITY** instead of **HARMONY**.

### ☐ SLIPPERY EEL-HOUND

When you **defend and maneuver** and choose to use Seize a Position to escape the scene, foes must mark an additional 2-fatigue to stop you, and you may bring any allies within reach when you retreat.

### ☐ YOU'RE NOT MY MASTER!

When you **resist an NPC shifting your balance**, roll +2 instead of +0.

### ☐ CASING THE JOINT

When you **assess a situation**, add these questions to the list. You may always ask one extra question from these options, even on a miss.

- What here is most valuable or interesting to me?
- Who or what is most vulnerable to me?
- Who here is in control/wealthiest/has the most power?

### ☐ IS THAT THE BEST YOU GOT?

When you goad or provoke an NPC into foolhardy action, say what you want them to do and roll with **PASSION**. On a 10+, they do it. On a 7-9, they can choose 1 instead:

- They do it, but more intensely than expected—you're taken off guard.
- They do it, but more carefully than expected—they gain an advantage against you.
- They don't do it, but they embarrass themselves—they mark a condition.
- They don't do it, but only catch themselves at the last minute—they stumble and give you an opportunity.

On a miss, they are provoked to take harsh action, directly against you, in a way you're ill-prepared to counter.

## YOUR CHARACTER

LOOK:

HOME TOWN:

### HISTORY

- How did you come to feel that the only way to survive was to break the rules?
- Who kept trying to reach a kind hand out towards you, only to be rebuffed?
- Who was ready to do anything to break you of your bad habits?
- What is your favorite possession that you stole, swiped, or otherwise acquired illegitimately?
- Why are you committed to this group or purpose?

### CONNECTIONS

\_\_\_\_\_ is waaaaay too uptight, too trapped in themselves; they need to break some rules!

\_\_\_\_\_ is amazing and I hope they like me; maybe they're worth playing it straight?

### ⊕ MOMENT OF BALANCE ⊕

You learned early on that you had to do what you needed to survive, and that sometimes that meant you lost friends. Now, you find a new balance: rule-breaking isn't something that just drives people away—it's something you can use constructively, with your friends! Tell the GM how you lead your companions to break all the rules and accomplish an incredible feat.

### CLEARING CONDITIONS

- **Afraid:** run from danger or difficulty.
- **Angry:** break something important or lash out at a friend.
- **Guilty:** make a personal sacrifice to absolve your guilt.
- **Insecure:** take foolhardy action without talking to your companions.
- **Troubled:** seek guidance from a mentor or powerful figure.

### GROWTH □□□□

#### GROWTH QUESTION

At the end of each session, answer this question with the other growth questions:

- Did you get a friend to join in or approve of one of your bad habits?

#### GROWTH ADVANCEMENTS

- Take a new move from your playbook □□
- Take a new move from another playbook □□
- Raise a stat by +1 (maximum of +2 in any given stat)
- Shift your center one step □□
- Unlock your Moment of Balance □□

## FIGHTING TECHNIQUES

### SWEEP THE LEG

ADVANCE & ATTACK

L ⊗ P ⊗ M ⊗

You attack where an enemy is weakest or most off-balance; if your foe has a total of 3 or more fatigue and conditions marked, inflict 2-fatigue. If your foe has fewer than 3 total fatigue and conditions marked, inflict 2-fatigue, but you must 1-mark fatigue as well.

# BASIC MOVES

## ASSESS A SITUATION

When you **assess a situation**, roll with **CREATIVITY**. On a 7–9, ask one question. On a 10+, ask two. Take +1 ongoing when acting on the answers.

- What here can I use to \_\_\_\_\_?
- Who or what is the biggest threat?
- What should I be on the lookout for?
- What's my best way out/in/through?
- Who or what is in the greatest danger?

## PLEAD

When you **plead with an NPC** who cares what you think for help, support, or action, roll with **HARMONY**. On a 7–9, they need something more—evidence that this is the right course, guidance in making the right choices, or resources to aid them—before they act; the GM tells you what they need. On a 10+, they act now and do their best until the situation changes.

## HELP

When you take appropriate action to **help a companion**, mark 1-fatigue to give them a +1 to their roll (after the roll). You cannot help in a combat exchange in this way.

# BALANCE MOVES

## LIVE UP TO YOUR PRINCIPLE

When you **take action in accordance with the values of a principle**, mark 1-fatigue to roll with that principle instead of whatever stat you would normally roll.

## CALL SOMEONE OUT

When you **openly call on someone to live up to their principle**, shift your balance away from center, then name and roll with their principle. On a hit, they are called to act as you say; they must either do it or mark a condition. On a 7–9, they challenge your view of the world in turn; mark 1-fatigue or they shift your balance as they choose. On a miss, they can demand you act in accordance with one of your principles instead; mark a condition or act as they request.

## DENY A CALLOUT

When you **deny an NPC calling on you to live up to your principle**, roll with that principle. On a hit, act as they say or mark 1-fatigue. On a 10+, their words hit hard; you must also shift your balance towards the called-on principle. On a miss, you stand strong; clear a condition, clear 1-fatigue, or shift your balance, your choice.

## RELY ON YOUR SKILLS & TRAINING

When you **rely on your skills and training** to overcome an obstacle, gain new insight, or perform a familiar custom, roll with **FOCUS**. On a hit, you do it. On a 7–9, you do it imperfectly—the GM tells you how your approach might lead to unexpected consequences; accept those consequences or mark 1-fatigue.

## PUSH YOUR LUCK

When you **push your luck** in a risky situation, say what you want to do and roll with **PASSION**. On a hit, you do it, but it costs you to scrape by; the GM tells you what it costs you. On a 10+, your boldness pays off despite the cost; the GM tells you what other lucky opportunity falls in your lap.

## INTIMIDATE

When you **intimidate an NPC** into backing off or giving in, roll with **PASSION**. On a hit, they choose one. On a 10+, first, you pick one they cannot choose.

- They run to escape or get backup.
- They back down but keep watch.
- They give in with a few stipulations.
- They attack you, but off-balance; the GM marks a condition on them.

## RESIST SHIFTING YOUR BALANCE

When you **resist an NPC shifting your balance**, roll. On a hit, you maintain your current balance in spite of their words or deeds. On a 10+, choose two. On a 7–9, choose one.

- Clear a condition or mark growth by immediately acting to prove them wrong
- Shift your balance towards the opposite principle
- Learn what their principle is (if they have one); if you already know, take +1 forward against them

On a miss, they know just what to say to throw you off balance. Mark a condition, and the GM shifts your balance twice.

## LOSE YOUR BALANCE

If your balance shifts past the end of the track, **you lose your balance**. You obsess over that principle to a degree that's not healthy for you or anyone around you. Choose one of the following:

- Give in or submit to your opposition
- Lose control of yourself in a destructive and harmful way
- Take an extreme action in line with the principle, then flee

Afterward, when you've had some time to recover and recenter yourself, shift your center one step towards the principle you exceeded and clear all your conditions and fatigue. Reset your balance to your new center.

## GUIDE AND COMFORT

When you try to honestly **guide and comfort** another person, roll with **HARMONY**. On a hit, they choose one:

- They embrace your guidance and comfort. They may clear a condition or 2-fatigue, and you may ask one question; they must answer honestly.
- They shut you down. They inflict a condition on you, and you shift their balance in response.

On a 10+, if they embrace your guidance and comfort, you may also shift their balance.

## TRICK

When you **trick an NPC**, roll with **CREATIVITY**. On a hit, they fall for it and do what you want for the moment. On a 7–9, pick one. On a 10+, pick two.

- They stumble; take +1 forward to acting against them.
- They act foolishly; the GM tells you what additional opportunity they give you.
- They overcommit; they are deceived for some time.

# GROWTH QUESTIONS

At the end of each session, each player answers the following questions:

- Did you learn something challenging, exciting, or complicated about the world?
- Did you stop a dangerous threat or solve a community problem?
- Did you guide a companion towards balance or end the session at your center?

Each player also answers their playbook's unique personal growth question. For each yes, mark growth. When you have marked four growth, you take a growth advancement.

# CLEARING CONDITIONS

- **Afraid:** run from danger or difficulty.
- **Angry:** break something important or lash out at a friend.
- **Guilty:** make a personal sacrifice to absolve your guilt.
- **Insecure:** take foolhardy action without talking to your companions.
- **Troubled:** seek guidance from a mentor or powerful figure.

# COMBAT EXCHANGES

## EXCHANGE STEPS

**1** The GM chooses an approach for each NPC or group of NPCs in the exchange; the GM keeps their choice secret.

**2** Each player of a PC in the exchange chooses an approach for their character. If multiple players have PCs in the exchange, they can talk and coordinate. Their choices can be public, but if the PCs oppose each other, they keep their choices secret and reveal in the next step.

**3** The GM reveals what they chose for each NPC, and PCs opposing each other reveal their previously secret approaches.

**4** All combatants who chose **defend and maneuver** resolve their approach.

**5** All combatants who chose **advance and attack** resolve their approach.

**6** All combatants who chose **evade and observe** resolve their approach.

**7** All characters who lost their balance or were taken out now resolve those results.

## After the Exchange

- The full effects of a character **being taken out** or **losing their balance** resolve outside of fight exchanges.
- **When a PC is taken out**, they are unable to act any more. The exact details of how they are taken out can be set up outside of fight exchanges—but almost always, a PC being taken out is a golden opportunity for the GM to make another move.
- **After an exchange ends**, there is no requirement to go right into another exchange.
- If **multiple combatants want to keep fighting**, then another exchange ensues. This also covers situations in which one side wants to only defend or evade.
- If **only one combatant (or one side of combatants) wants to keep fighting**—to the extent that their targets won't even resist incoming blows—then no exchange is needed; the attackers simply inflict fatigue or conditions on their targets.
- If **no combatants are engaging each other**, then there's no need for an exchange at all!
- If **all combatants on one side of the conflict are defeated**, unable to continue fighting in any way, then no more exchanges are needed!

## STANCE MOVE

### FOR PCs

When you resolve your approach, roll with the appropriate stat:

- **Defend and maneuver** rolls with **FOCUS**
- **Advance and attack** rolls with **PASSION**
- **Evade and observe** rolls with **CREATIVITY** or **HARMONY**, the PC's choice

On a 7–9, use one basic or mastered technique. On a 10+, choose one from this list instead:

- Mark 1-fatigue to use a learned technique
- Use one practiced technique
- Use two basic or mastered techniques

On a miss, you stumble, but you can shift your balance away from center to use one basic technique.

### FOR NPCs

NPCs always use a number of techniques equal to 1+ their balance rating, chosen by the GM.

# STATUSES

Some techniques within a combat exchange assign statuses to characters based on the fiction, such as a character getting *Trapped* by ice or metal. Techniques may assign the following:

## NEGATIVE STATUSES

- **DOOMED:** You're in grave danger—mark 1-fatigue every few seconds (or each exchange) until you free yourself.
- **IMPAIRED:** You're slowed or off-balance—mark 1-fatigue or take a -2 to all physical actions (PCs) / choose one fewer technique (NPCs).
- **TRAPPED:** You're completely helpless—you must mark a combination of 3-fatigue or conditions to escape.
- **STUNNED:** You're caught off-guard—you can't act or respond for a few seconds until you steady yourself.

## POSITIVE STATUSES

- **EMPOWERED:** Your abilities are naturally stronger in this moment—clear 1-fatigue at the end of each exchange.
- **FAVORED:** You're buoyed by circumstance—choose an additional basic or mastered technique in the next exchange, even on a miss.
- **INSPIRED:** You're ready to stand for something—clear *Inspired* to shift your balance toward a principle of your choice.
- **PREPARED:** You're ready for what's coming—clear *Prepared* to take +1 to an appropriate roll (after the roll) or avoid marking a condition.

# BASIC TECHNIQUES

## DEFEND & MANEUVER

### ROLL WITH FOCUS

#### READY

Mark 1-fatigue to ready yourself or your environment, assigning or clearing a fictionally appropriate status of nearby characters or yourself.

#### RETALIATE

Steel yourself for their blows. Each time a foe inflicts fatigue, a condition, or shifts your balance in this exchange, inflict 1-fatigue on that foe.

#### SEIZE A POSITION

Move to a new location. Engage/disengage with a foe, overcome a negative status or danger, establish an advantageous position, or escape the scene. Any foe engaged with you can mark 1-fatigue to block this technique.

## ADVANCE & ATTACK

### ROLL WITH PASSION

#### STRIKE

Strike a foe in reach, forcing them to mark 2-fatigue, mark a condition, or shift their balance away from center, their choice. Mark 1-fatigue to instead choose to hammer them with your blows, forcing them to mark 2-fatigue, or strike where they are weak, inflicting a condition.

#### PRESSURE

Impress or intimidate a foe. Choose an approach—your foe cannot choose to use that approach in the next exchange.

#### SMASH

Mark 1-fatigue to destroy or destabilize something in the environment—possibly inflicting or overcoming a fictionally appropriate positive or negative status.

## EUVADE & OBSERVE

### CLEAR 1-FATIGUE & ROLL WITH CREATIVITY OR HARMONY

#### TEST BALANCE

Mark 1-fatigue to challenge an engaged foe's balance. Ask what their principle is; they must answer honestly. If you already know their principle, instead shift their balance away from center by questioning or challenging their beliefs or perspective.

#### BOLSTER OR HINDER

Aid or impede a nearby character, inflicting an appropriate status.

#### COMMIT

Recenter yourself amidst the fray. Shift your balance toward one of your principles; the next time you live up to that principle, do not mark fatigue.
